I need help understanding what is happening with my case. I don't understand the crime I am being charged with nor do I understand why I am being sentenced without being charged with a crime. I am being held at Hennepin County until October and no one has given me any clarity on the reason. I have not plead guilty to any crime. Neither am I sure of why I am being held so long.

Please contact me as I am in urgent assistance. The court is speaking a language I do not understand. I am in need of an advocate or some type of resources to ensure my rights are not being violated.

I look forward to your immediate response to my letter in a timely manner. Thank you.

Sincerely,

Sandra Phitsanukankh  
Vongsaphay

(PS) I would like to admit to the second case I am sorry I didn't understand at the time. I hope you know I admit to all my cases.

Dear Honorable Judge Jay Quam, courts

This letter is in regards to my son, Matthew Guertin. I am most definitely not condoning his actions on January 21, 2023. Matthew has been solely working on his invention and putting together his company, Infiniset since 2021. He was thrilled to have been granted his first patent and to move forward with his dreams.

Unfortunately the companies he was willing to sell his intellectual property to fraudulently went their own direction, therefore scaring Matthew into a corner, while they continued to steal what he put his entire life into. I sat with my son on his computer watching this take place. I too contacted Amy Kloibuchar for help. I contacted the patent office for guidance as I felt helpless.

Matthew has remained steadfast with family and friends supporting him. He is drained financially yet (continues) to hold his head up high in hopes that his patent will be sold. Since Matthew has been currently living with
